FSC®

Garden Impressions is committed to responsible forest management and supplies a large part of its wood collections FSC® certified. As an advanced garden furniture importer, Garden Impressions supports responsible forest management. Sustainable forest management has an ecological function for the living environment of the forest, so that plant and animal species are preserved.

In this catalogue it is indicated per item which product is FSC® certified.

DINING

Fancy a superb outdoor dining experience? Then the Garden Impressions Dining collection is the ticket.

It features tables in an endless variety of styles, shapes and sizes, all aluminum or in combinations of aluminium and combinations of several materials, such as Centostone and Vironwood table tops.

Matching chairs are also available in any conceivable style, all aluminium combined with Qualicord rope, texfiber and beautiful fabrics for the cushions. This is a collection to accommodate any taste in dining sets.

Fancy a superb outdoor dining experience? Then the Garden Impressions Dining collection is the ticket. It features tables in an endless variety of styles, shapes and sizes, all aluminum or in combinations of aluminium and combinations of several materials, such as Centostone and Vironwood table tops. Matching chairs are also available in any conceivable style, all aluminium combined with Qualicord rope, texfiber and beautiful fabrics for the cushions. This is a collection to accommodate any taste in dining sets.
